# Highlights

## Weather proof

This Philips outdoor lamp is especially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

## Create a stylish atmosphere

This outdoor wall light is designed around the latest trends and lifestyles to blend effortlessly into your outdoor space and define the ambiance you have always desired.

## High quality materials

This Philips outdoor lamp is made of high quality materials with superior finishing. This ensures a solid and long lasting product which is resistant to corrosion and stains in all weather conditions
