RUDI is more than just a table lamp - it is a real statement piece for lovers of original design. In the shape of a charming dachshund, it not only brings light into your home, but also personality to your table, chest of drawers or shelf. With the cable in its mouth, the light source dangles stylishly in front of it - a playful detail that makes RUDI an eye-catcher in any room. Equipped with a practical cord switch, the light can be conveniently switched on and off. Made from high-quality plastic, the light comes in black with gold-coloured details. This combination gives the light an elegant yet vibrant look that enhances any ambience. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
