The VALENTIN spotlight sets stylish accents in your living area and provides the right light for pictures, works of art or specifically selected areas. Its classic design makes it a versatile highlight that is perfect for emphasising details. The practical switch on the light makes it easy to operate. Its flexible use, either permanently mounted on the wall or operated with a plug cable (not included), opens up a wide range of possible applications. VALENTIN is also ideal as an atmospheric night light by the bed or next to the armchair. The combination of black matt metal, the gold-coloured inner shade and the stylish wood reproduction gives the light a sophisticated, timeless look that adds warmth and elegance to any room. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
