## JACK – R86422032

excl. 2x E27 · max. 10W

### Caratteristiche:

- IP20
- Lampade non incluse nella confezione
- Montaggio sia a parete che a soffitto

Compact, striking and modern - the JACK spotlight provides targeted light where you need it and adds an elegant touch to your room. The interplay of clear design and elegantly textured glass makes it more than just a light source: it becomes a design accent on the wall or ceiling. With two light sources, the luminaire provides flexible lighting - ideal for highlighting specific areas or creating a harmonious play of light in the room. JACK impresses with a housing made of matt black metal, which has a modern, stylish look thanks to its calm surface. The textured glass in a smoky smoke colour lends the light a pleasant depth and creates a softly tinted, atmospheric glow. The materials complement each other perfectly - a cool, urban and high-quality look. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
