

## Applique

### **SOKA – 267700215**

excl. 2x GU10 · max. 10W

#### **Caratteristiche:**

- IP20
- Lampade non incluse nella confezione
- Luce su e giù
- Montaggio a parete

The SOKA wall light combines modern simplicity with fine design details. Its clearly structured surface with vertical grooves gives it an elegant texture. In combination with the up-and-down lighting, decorative beams of light are created that stylishly accentuate wall surfaces - ideal for corridors, stairwells or as atmospheric accent lighting in living rooms and bedrooms. SOKA doesn't impress with its volume, but with its restraint and style - perfect for rooms where details count and atmosphere is important. Made of metal in an appealing green colour, SOKA has a striking, elegant yet discreet appearance. It sets clear accents and at the same time blends effortlessly into modern colour schemes - stylish, timeless and with a strong presence. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
