The SOKA pendant light combines modern simplicity with fine design details. Its clearly structured surface with vertical grooves gives it an elegant texture. In combination with the directed light, SOKA creates targeted accents - ideal above the dining table, in the kitchen or as a stylish statement in open-plan living areas. Made of metal in the colours Coffee and Warm Grey, SOKA has a striking, elegant yet discreet appearance. It sets clear accents and at the same time blends effortlessly into modern colour concepts - stylish, timeless and with a strong presence. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
