The HIMAL ceiling light set consists of three unobtrusive lights that create a calm and harmonious atmosphere thanks to their simple design. Ideal for rooms where functionality and restraint take centre stage. The set blends seamlessly into various interior styles and ensures uniform and glare-free illumination. The brightness of the luminaires can be easily adjusted so that the light can be flexibly adapted to the respective situation. Thanks to the IP65 protection rating, the lights are protected against dust and water jets, making them ideal for damp rooms or areas subject to high levels of stress. The light colour settings can be individually adjusted and optimised using the integrated DIP switch. The lights are made of high-quality plastic and come in a clear white colour. This material ensures a lightweight yet robust construction that blends perfectly into any interior design thanks to its unobtrusive colour scheme. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
